FOR IMMEDIATE RELEASE- September 25, 2015

2015 Waste Pesticide Recovery Collection Dates & Locations Set

COLUMBIA – SC Waste Pesticide Recovery Program dates and locations are set for the remainder of 2015. The South Carolina Department of Agriculture (SCDA) is offering multiple opportunities across the state to safely dispose of old, outdated, unusable, or unwanted pesticides.

The pesticide and chemical collection program is open to all private, commercial, and non-commercial pesticide applicators in the state, as well as homeowners. SCDA staff will be on site to monitor pesticide collection and disposal, and will have final authority on acceptance of products.

- Chemical and pesticide quantities accepted will be limited to 2500 pounds of solid and 300 gallons of liquid at no charge.
- Pesticide products accepted include herbicides, insecticides, nematicides, fungicides and similar products used in agricultural production or around the home.
- Rinsate will not be accepted.
- Fertilizer will not be accepted unless it is combined or co-packed with a pesticide such as weed and feed.
- No compressed gas cylinders (metal cylinder with a valve) or empty pesticide containers will be collected.
